

Creekside Community Church (Napa, CA) – Lead Pastor

The Big Picture

Creekside Community Church (creeksidechurchnapa.org) is a healthy EFCA church of 100 seeking a future Lead Pastor to work alongside the current Lead Pastor in a planned pastoral succession which will begin as bi-vocational and turn into full time at the end of 2022.

The Church

We are a group of people who find much more joy “being for something” than “being against something.” We have firm convictions that are governed by the Scriptural instructions to love sincerely. We are a group of people who recognize that we are all flawed, we don’t feel the need to replace God as judge. We endeavor for Creekside to be a place of grace. We are a group of people from all backgrounds. Some have been in a church their whole lives; and there are others who are just starting to discover the value of being at a place where they can encounter God and “rub elbows” with people who know their face and name. We are a group of people who are “family” through the best of times as well as the worst. We honestly rejoice with those who are rejoicing, and we weep with those who are weeping.

The Candidate

The Pastor will continue the grace-filled culture and the heritage at Creekside for a high regard for the fidelity of Scripture. He must preach the unchanging truths of Scripture in season and out of season. He must display mature and wise leadership

alongside of the Elders, Deacons and Deaconesses. In addition, he must shepherd the congregation and the staff made up of a part time Director of Worship, part time Assistant Pastor and part time Janitor

The Qualifications

We are seeking a Lead Pastor who meets all biblical qualifications (1 Timothy 3:1-7; Titus 1:5-9; 1 Peter 5:1-4, etc.). The preferred minimum education is a seminary graduate along with some pastoral experience. We desire a strong expository preacher and one who is in line with our EFCA doctrinal distinctives.
