

Capital City Baptist Church (Mexico City, MX) – Lead Pastor

The Big Picture

Capital City Baptist Church (capitalcitybaptistchurch.com) is a faithful English-speaking international congregation in Mexico City seeking a full-time Senior Pastor who will preach the Word of God in an expository manner, graciously shepherd the congregation, and provide godly leadership.

The Church

We are a Bible-believing, Bible-teaching, and preaching, Christ-centered church, theologically and biblically conservative but open to believers of non-Baptist backgrounds being members and participating in the ministries of CCBC. We average 210 (pre-covid) in English worship attendance and 90 in our Spanish Worship Service. In both congregations we have bible studies for every age group, and special studies for Men, Women, and Married couples. Overall, CCBC is a warm and welcoming church family who is serious about the Great Commission and about reaching the next generations in our community. We value expository preaching, practical community ministries and global missions. We are excited about what God will do through the leadership of our next senior pastor.

The Candidate

We are looking for a man of God who demonstrates the centrality of the gospel of Jesus Christ to all matters of life and faith through preaching, teaching, mentoring, and counseling and has the desire to be active in impactful ministry to our fellow church members, our local community, and abroad.

The Qualifications

CCBC is searching for a pastor who has a minimum of five years pastoral experience and Biblical studies, at least seminary graduate level or higher, and is committed to the inerrancy, authority, and sufficiency of the Bible. He will be a man who fears God, leads by example and is more interested in spiritual growth based on Biblical truth rather than numerical growth based on pragmatic idealism. We desire a man who is being transformed by God's Word himself, whose sermons are theologically sound, thought provoking, challenging and consistent. He will be a text-driven expositor of the biblical text, able to preach from the whole counsel of God, both Old and New Testaments, in such a way that the message is faithful to Scripture, centered on Christ, and brought to bear on daily life in a clear and compelling way. While he may be open to listen to different points of view, he will be firm in his conviction, well-grounded on the Scriptures rather than on traditions, man-made rules, external appearance, personal feelings, or preferences.
