

FPC Kings Mountain (Kings Mountain, NC) – Worship Leader (Part Time)

The Big Picture

First Presbyterian Church Kings Mountain (fpckingsmountain.com) is looking for a part-time contemporary worship leader responsible for overseeing the blended service. This person would ideally lead with a guitar (not a requirement) but must be able to lead a group of musicians and singers into a contemporary feel (Getty's, Shane & Shane, Sovereign Grace, Austin Stone, City Alight are examples of what we are hoping for). This would be 10 hours a week position.

The Process

Please look over the job description and the church website. Along with your resume please submit a YouTube video of worship leading.
